These speaking events and workshops are delivered in less than 60 minutes. Our target audiences include people served by local non-profits, the parents of youth in need and the mentors and staff of non-profits serving these groups. All are free.

FEATURED TOPICS:

Live with Purpose		Passion, personality, potential, desires, goal setting, life planning and more are blended into a framework for living a passionate, purposeful life.
Work with Purpose		Concepts such as “ <i>know yourself</i> ”, career planning, work values, job-shaping and more are blended into a framework for adding passion and purpose to our <u>work</u> lives.
Live to Your Potential		Potential flows from purpose and passion but there are underlying skills and attributes including discipline, structure, rhythm, process and more.
Retire with Purpose		We encourage those over 50 years of age to think about their life after employment. You will be inspired to think about your ideal life, to discover what gives you a thrill and meaning and to prepare a plan.

OTHER TOPICS:

Specific training topics are also available in 60-minute workshops, including:

- Money management 101 (presented in a fun Jeopardy-like game).
- Time Management.
- Volunteer with Purpose.
- Managing Work as a Process (for non-profit Staff).
- Many of our mentoring topics can also be requested, including Be Available Attentively, Ask Powerful Questions, Uncover Beliefs and Discover Vision and Goals.
