

VOLUNTEER NKY 2016 INITIATIVES

Background: A group of volunteer-passionate people came together to think about how to influence volunteerism strategically and systemically. We developed an area-wide volunteer engagement vision, strategy and goals.

VOLUNTEER VISION

- *We build a more vibrant and engaged NKY by easily connecting people of all ages and all walks of life with opportunities to serve.*
- *We are all in it together, everyone makes the world a better place in their own unique way.*
- *People volunteer to their purpose, passion and potential.*

STRATEGIES & GOALS

Vision

Engage leaders in developing volunteer visions and goals.

(Touch 20-30 customer and supply-side organizations)

Connect

Volunteer Fair on Sept 8 at the Life Learning Center followed by an Open House (date tbd)

(Engage 100-200 people)

Solutions

Build a shareable toolbox.

(Develop a volunteer management best practices template & volunteer development playbook)

Looking Ahead: There's a lot of work we can do in 2016 and we'd like you to join the effort, here are some ways:

- Participate in the **Vision** work.
- Join the **Connect** events.
- Get involved with one of the three teams.
