This page is part of the GCMLA Strategy #2 to *incorporate Mentor for PURPOSE content into local organization programming at all levels (mentees, mentors, staff)*. It starts with an assessment then asks if you can commit to deeper actions. Add your own ideas.

What are you already doing to encourage Purpose in your programming?

What new Purpose-related activities can you commit to in 2020?

New Activities	For Clients	For Mentors	For Staff	Target Date
• Encourage mentors to attend Live with Purpose and/or Live to Your Potential events (schedule with Tony).				
• Train Mentors in Mentor for Purpose skills, either Mentoring 101 or any of the workshops (schedule with Tony).				
• Launch Dreambooks... especially use Purpose/Vision/Goals page.				
• Invite mentors to like the Life Solutions Network Facebook page (which is focused on Living with Purpose).				
• Host a Purpose Statement Development workshop.				
• Set an organizational goal for mentors and clients to develop a Purpose statement or commit to developing a personal Purpose statement.				
• Commit to reading a book on Purpose (have links).
